

SCOUTS BSA TROOP 728

Meeting Handout

Wednesday, December 11, 2019

7:00-9:00 PM

“Living indoors without fresh air quickly poisons the blood and makes people feel tired and seedy when they don't know why. For myself, I sleep out of doors in winter as well as summer. I only feel tired or seedy when I have been indoors a lot. I only catch cold when I sleep in a room.”

œ Lord Robert Baden-Powell
